Earthport service to enhance Ria Money Transfer's global payment portfolio

Earthport (AIM: EPO.L), the leading cross-border payment network, is pleased to announce an agreement with Ria Money Transfer ("Ria"), the third largest global money transfer company. Earthport provides Ria with access to a global payment network which complements Ria's existing bank deposit services.

Earthport's global payment solution enables complete transparency into the transaction, giving customers and merchants the ability to determine when funds will be credited to a beneficiary's bank account. Through a single, managed relationship with Earthport, Ria will gain access to over 60 domestic clearing schemes.

Juan Bianchi, Ria Money Transfer President & CEO said, "Earthport provides an efficient, global payment network that will further enhance Ria's world class bank deposit services. This partnership will enable us to reach even more bank deposit customers around the world with fast, secure and affordable money transfers."

Daniel Marovitz, Earthport President Europe, commented: "Ria Money Transfer is a globally recognised money transfer company and Earthport is delighted to be collaborating with them to enhance their product offering. We look forward to working with Ria and are confident this will be a productive relationship going forward."

About Earthport
